

LEGISLATION FOR SUPERVISORS WORKSHOP

Duration: 1 day

OUR AIM

To set your supervisors up for success.

OUR APPROACH

Mineplex offers a practical and contextualized one-day workshop specifically designed for frontline supervisors to provide them with the knowledge and know-how to fulfill their obligations.

WHY CHOOSE US?

This workshop is delivered by an SSE with over 18 years of experience in the Queensland coal industry using actual past events to embed learning.

LEARNING OUTCOMES

- History of Queensland mining legislation to understand the full context of why our legislation looks like it does today
- Understanding legislation fundamentals and how the site SHMS fits into the picture
- Key supervisor obligations and how to fulfill them by taking “reasonable precautions”, and exercising “proper diligence, to ensure the obligation is discharged.”
- Controlling, and monitoring effective risk management, incident management, and communication & and consultation practices
